Ceylon Electricity Board,

Meethotamulla Road,

Kolonnawa 10600, Sri Lanka.

Expression of Interest (EOI) for the Supply of Wind Turbines and Timeline for Submission of Supporting Documentation

Dear Sir,

We, Envision Energy Technology PTE. LTD., are pleased to submit our Expression of Interest (EOI) for partnering with **Lakdhanavi Limited** on the 2×50 MW Wind Power Project at Mullikulam, Sri Lanka, being developed under the Build-Own-Operate (BOO) model as per the Request for Proposals (Bid No.: TR/REP&PM/ICB/2025/001/C) issued by the Ceylon Electricity Board (CEB).

We hereby confirm our interest and technical readiness to serve as the Wind Turbine Generator (WTG) supplier for this project. Our support will include:

- Supply of WTGs in compliance with IEC 61400 and CEB Grid Code
- Technical assistance in foundation design and layout planning
- Support in transportation, erection, and commissioning of the turbines
- Provision of a comprehensive 20-Year O&M proposal with performance guarantees

We appreciate the opportunity to participate in this important renewable energy initiative and look forward to collaborating with your team on this project.

Sincerely,

 

John Lee

General Manager of Asia & Africa Region
