This Pre-Proposal Conference was held as per ITC 2.3 of the Request for Proposals (RFP).

(a) Welcome and Self-Introduction

The Project Director, delivered the welcome note and the participants were requested to deliver a self-introduction.

(b) Objective and Introduction

The objective of this conference was clarified by him and a brief introduction was given regarding the overall Project and the specific Consultancy Service.

(c) Q & A Session

The officials from the consultancy firm were invited to present their queries regarding the issued RFP document and its' related. The queries were discussed and answered. The list of queries and answers is attached under Annex I.

(d) Decision Taken

Based on the Q&A session, it has been decided to issue an addendum as attached in Annexure II. The consultant is instructed to incorporate the amendment in the RFP document in accordance with ITC Clause 13.

(e) Closing Note

Project Director requested the Consultants to study the RFP properly and prepare the proposals addressing the Client's requirements.

- (f) Page number 80: F: The Consultant shall provide a comprehensive warranty for a period of five (5) years for the Decision Support System (DSS) software, including all updated versions released during this period, The financial cost associated with the five-year comprehensive warranty (development cost, support and maintenance) coverage must be clearly stated and included in the proposal."
- (g) "The supplier shall be responsible for the full operation and maintenance of the entire solution, ensuring its proper functioning and performance throughout the five (5) year period."
- (h) The supplier is required to hand over all source code, software licenses, technical knowledge, and complete system documentation to the Disaster Management Centre."

Project Director wished success to all the Consultants who participated in this event and concluded the conference around 1100 hrs with delivering the Vote of Thanks.

R.B. Bandula Sirimal

Project Director, Climate Resilience Multi-Phase Programmatic Approach

Annexure I

No	RFP Reference			Bidder's Query	Client's Clarification
	Section	Clause	Page		
1	2	1 (n)	10	Could you please confirm whether a bidder is permitted to participate in the tender in the form of a consortium arrangement under an existing consortium agreement or with the intent to enter into such an agreement supported by a letter of intent?	The Consultant shall submit the "Letter of Intention" to form a Joint Venture during the RFP stage. Once the Contract is awarded, the signed Joint Venture Agreement shall be submitted.
2	2	12.1	33	Clarify the date mentioned for the Proposal validity in the issued RFP.	The Proposals shall be valid until "3 rd April 2026" and this will be revised by the Addendum I.
3	2	17.4	35	What exactly is meant by "one (1) sealed duplicate" in the Technical Proposal? For the Financial Proposal, does "one (1) duplicate" mean a photocopy of the original?	One of the copies of the Consultant's Technical Proposal shall be sealed separately to be kept at the PCT for cross verification purpose if needed during the proposal evaluation. Yes, one duplicate of the Financial Proposal means a photocopy of the Original Financial Proposal.
4	2	21.1	35	Please clarify the criteria for "similar projects" under this clause. Should these projects be limited to DSS and Disaster Risk Reduction (DRR)-related systems, or can other large-scale ICT/software development projects with data integration, analytics, GIS, or government-sector implementations also be considered as similar? In the page 42 of the RFP, which states	Projects aligned with the Terms of Reference (TOR)

				“List only previous similar assignments successfully completed in the last [.....] years,” and seek confirmation on whether the definition of “similar” may include technically comparable ICT projects beyond the DRR domain.	
5	3	B - Consultant's Experience	43	Please confirm whether it is mandatory to disclose the project contract value in US\$ equivalent and the amount paid to our firm for each listed project, or if this information can be omitted in cases where disclosure is restricted by confidentiality agreements with clients	Yes, it is mandatory to disclose the approximate Contract value or the amount paid to your firm.
6				Kindly confirm the correct address to be used in the following documents: • Declaration Letters • Legal Documents • Cover Letter • And any other applicable documents If we do not receive confirmation, we will proceed with using the address below: Project Director - Climate Resilience Multi-Phase Programmatic Approach No 11, Jawatta Road, Colombo 05	The correct address is; Project Director - Climate Resilience Multi-Phase Programmatic Approach No 11, Jawatta Road, Colombo 05.
7				In the RFP documents it was noted that there are no new financial turnover or financial resource eligibility criteria specified at this stage. At the EOI stage, we submitted declaration letters regarding our average annual turnover and financial resources to demonstrate our eligibility. Kindly	During the RFP stage, it is not required to submit information regarding the firm's financial resources.

				confirm whether we need to resubmit or rearrange those declarations for the RFP stage, or if the previous submissions will suffice.	
8				In the RFP documents it was noted that there is no new bid security requirement mentioned. Please clarify	Bid Security is not required for the Consultancy Services.
9				In which digital format(s), historical data stored? E.g. CSV, PDF etc.. This is important for us to identify the scope of data migration.	Digital format (Several formats available)
